January 4, 2013

Dear 50's Plus Club,

I truly want to thank you for allowing us to put our angel tags on your Christmas tree this year.

We appreciate the response from your group. Even though everyone is talking about the poor economy, your members thought about the children and came through for us. We were able to give toys to 432 children from 192 families, all from the West End area, and all registered at P.V.E.N.

Every year we have more children registered and every year all the West End businesses, churches, organizations, schools and individuals donate enough toys for all these children. We also receive toys from the Toys for Tots and money from the Toys for Joy program. I am proud of our communities for working together to make a better Christmas for these children. I am always in awe of the generosity of so many people.

The West End Fire Co. allows us to use their facility to distribute the toys and the parents come there and pick out the toys for their children. Our volunteers are always amazed to see the joy and sometimes tears on the parent's faces as they realize they can give their children a better Christmas. The parents say thank you, thank you.

Again, thank you for your help,
Sincerely

Jane Heckman
Toy Coordinator

CHRISTMAS PARTY
